Dear Tom Bagby:

The Advertising Review Committee or staff has reviewed the above-referenced application filed with the Advertising Review Committee pursuant to Rule 7.07(b), Texas Disciplinary Rules of Professional Conduct. The advertisement or writing either requires additional information to substantiate representations that are contained therein, or it violates Part 7 of the Texas Disciplinary Rules of Professional Conduct in the following particulars: **You must send two copies of all corrections. The Advertising Review Committee does not accept fax transmissions or email for either submissions or corrections of advertisements. Please send either via mail or by courier.**

- * The material indicated is false and misleading or contains a material misrepresentation as prohibited by either 7.02(a)(1) or 7.05(a)(3). (Please refer to attached advertisement, letter, or production script for specific material indicated.)
- * The material indicated requires substantiation of representations made therein as required by 7.07(f). (Please refer to attached advertisement, letter, or production script for specific material indicated.)
- * Note on Rule 7.02(a)(1): Super Lawyers is not by Texas Monthly, it is a Thomas Reuters service. Licensure is by the Texas Supreme Court.

You did not request a pre-approval of this advertisement or writing. The application you submitted indicates that this advertisement or writing containing the above-referenced violations is currently being disseminated to the public. According to Official Comment No. 2 to Section 7.07, it is presumed that the Committee will report to the appropriate grievance committee any lawyer whom it finds from the reviewed products has disseminated an advertisement or writing that violates Part 7. However, in an initial effort to handle violations administratively before reporting an attorney to the grievance system, the Committee will allow you one opportunity to remedy the situation. **Within ten (10) days from the date of this letter, please return one of the following two documents to the Advertising Review Committee:**

- (1) the advertisement or writing in which the appropriate corrections have been made, or
- (2) a notice certifying that you have stopped public dissemination of the advertisement or writing.

Such a notice should contain one of the following explanations:

- (a) Dissemination has been temporarily stopped for the purpose of making corrections.

www.texasbar.com

STATE BAR OF TEXAS

- (Include the date corrections will be forwarded to the Committee.); or
- (b) Dissemination has been permanently stopped. There is no intention of beginning public dissemination of this advertisement or writing in the future.

If the requested documents are not received in this office by tenth (10th) day following the date of this letter, we will assume that the advertisement or writing continues to be disseminated publicly, and the Committee may forward this matter to the appropriate grievance committee for disciplinary action. If the appropriate corrections are made and submitted, you will be sent an approval of the amended advertisement or writing. If you end dissemination permanently, you will receive a disapproval of the advertisement or writing but no further action will be taken.

You are not required to submit additional fees at this time. Please include your unique file number (referenced above) on all correspondence pertaining to this application. Thank you for your cooperation.

Sincerely,

Kool Smiles and Medicaid

Approximately 5 years ago the United States Congress passed legislation that substantially increased Medicaid reimbursements for several children's dental services. The purpose of this legislation was to increase the availability of dental services to underprivileged children. Since the passage of this legislation, hundreds of dental clinics, targeting children eligible for Medicaid, have opened throughout our country. Unfortunately, many of these dental clinics have exploited our children to increase their revenue.

Kool Smiles has opened over 35 clinics in Texas, including clinics in El Paso, McAllen, Weslaco, Mission, Brownsville, Eagle Pass and Laredo. In 2010, the Kool Smiles clinics in these 7 cities collected more than Twenty Five Million Dollars (\$25,000,000.00) in Medicaid reimbursements.
